COMPANY OVERVIEW

AS Nexus Dynamics LLC supplies aerospace hardware, industrial MRO components, and technical spare parts, providing government agencies with reliable, compliant, and timely delivery of essential materials.

DIFFERENTIATIONS

- **Industry Experience:** Team with 15+ years of combined experience across commercial, industrial, aerospace, and defense supply chains.
- **Quality & Traceability Focus:** AS9120-aligned operations supporting traceability and anti-counterfeit controls.
- **Strategic Hub:** Houston-based operations for optimized logistics.
- **Reliable Network:** Pre-approved manufacturers and authorized distributors MIL-STD-129
- **Regulatory Compliance:** PHMSA/DOT HazMat trained (Classes 0.0–8.0) supporting compliant chemical logistics and SDS documentation.
- **DCSA Certified:** Personnel trained in Counterfeit Risk Management & Mitigation.
- **CUI & Security:** Certified in Controlled Unclassified Information (CUI) & Unauthorized Disclosure (UD).

CORE COMPETENCIES

- **Aerospace & Defense Hardware:** MIL-SPEC fasteners, screws, bolts, nuts, washers, and O-rings.
- **Specialized Chemicals:** Industrial paints, adhesives, sealants, and lubricants (FSC 8010 / 8030 / 8040).
- **Safety & PPE:** Industrial helmets, tactical gloves, protective apparel, and safety equipment.
- **Maintenance & MRO Support:** Hand tool kits, measurement instruments, and approved cleaning compounds.

PAST PERFORMANCE

- Expertise in commercial, industrial, and military aerospace supply chains.
- Team-led procurement for government-oriented distribution and compliance.
